

Who We Are

At SCAM INVESTIGATIONS AERONAUTICS, we are a company specialized in providing verified, reliable, and secure information about aviation companies in the United States. We are dedicated to thoroughly investigating business opportunities within the aviation sector, offering precise references so that our clients can make informed decisions about buying and selling in the industry.

What truly sets us apart is our ability to analyze and detect scams in the aviation environment. Our team not only investigates suspicious fraud cases but also acts as an intermediary between the parties involved, always seeking a fair resolution. In cases where a satisfactory solution cannot be reached, we take public action through social media and other platforms to expose scams, protect other potential victims, and ensure transparency in the sector.

Our Services

1. Investigation and Verification of Aviation Companies

At **SCAM INVESTIGATION AERONAUTICS**, we help our clients identify legitimate aviation companies and avoid those that may pose a risk.

Our services include:

- **Credibility Research:** We verify the background, history, and reputation of aviation companies.
- **Commercial Transaction Verification:** We analyze any proposed transaction to ensure it is a legitimate and safe business.
- **Market Studies:** We provide our clients with detailed information about the actions of the company in question with which they want to engage in any type of negotiation.

2. Analysis of Scam Cases in the Aviation Sector.

One of the key aspects that distinguishes SCAM INVESTIGATION AERONAUTICS is our commitment to fraud prevention. We handle:

- **Fraud Investigation:** If a client suspects fraud, we conduct a thorough investigation of the case to identify the responsible parties and possible victims.
- **Intermediation in Fraud Cases:** We act as intermediaries between the parties involved in a suspicious case, seeking a satisfactory resolution that protects our clients' interests.
- **Public Actions on Social Media:** If we cannot resolve the dispute satisfactorily, we take action on social media and other public platforms, demanding transparency and raising awareness about scams in the aviation industry.

3. Consulting and Mediation in Conflicts

When conflicts or legal issues arise in transactions within the aviation sector, SCAM INVESTIGATIONS AERONAUTICS acts as an intermediary to effectively resolve disputes.

Our services include:

- **Professional Mediation:** We facilitate communication between the parties involved to find a fair and prompt solution.
- **Dispute Resolution:** We implement effective strategies to resolve disagreements without them escalating into prolonged litigation.
- **Legal Advice:** We collaborate with attorneys specialized in the aviation sector to ensure that our clients are legally protected.

Our Mission

At **SCAM INVESTIGATION AERONAUTICS**, our mission is to protect our clients from fraud and scams within the aviation industry, ensuring that every transaction is legitimate, transparent, and secure. We are committed to providing the best references for aviation companies and to proactively resolving any conflicts that may arise during the buying, selling, or partnering process

Our Values

Integrity: We always act with ethics and honesty, protecting the interests of our clients at all times.

Trust: We are committed to providing the most accurate and reliable information, ensuring that our clients make informed decisions.
